General Risks of Surgery

- General Risks of Surgery

Laryngectomy

- | | | |
|--|--|--|
| <input type="checkbox"/> Direct Laryngoscopy and Hypopharyngoscopy | <input type="checkbox"/> Supraglottic | <input type="checkbox"/> Total with Partial or Total Hypopharyngectomy |
| <input type="checkbox"/> Vertical | <input type="checkbox"/> Supracricoid Hyoidopexy | |
| | <input type="checkbox"/> Total | |

SAMPLE PRESCRIPTION FORM

OTOLARYNGOLOGY TOPICS

Post-op Laryngectomy

- Care of Stoma
- How to Increase Humidity

- Stoma Stenosis
- Methods of Talking

- Barton Button
- Support Groups

Gastric Pull-up

- Gastric Pull-up

Neck Dissection

- Radical
- Modified

- Selective
- Extended

- Posterior

Other Types of Surgery

- Lower Maxillectomy
- Medial Maxillectomy
- Lateral Rhinotomy
- Total Maxillectomy
- Maxillectomy with Orbit Exenteration

- Transoral Cavity & Oropharynx Resection
- Pull Through
- Mandibulotomy
- Anterior or Lateral Mandibulotomy

- Parotidectomy
- Submandibulotomy Gland
- Thyroidectomy
- Parathyroidectomy
- Surgery for Skin Cancer

Skull Based Surgery

- Anterior

- Lateral

- Posterior

Flaps

- Fibular Free Flap
- Radial Forearm
- Scapular
- Rectus Abdominus

- Lateral Arm
- Jejunal
- Superior Based Trapezius Myocutaneous

- Trapezius Myocutaneous
- Pectoralis Major Myocutaneous

Tracheotomy

- Surgery
- Parts of Trach Tube
- Types of Trach Tubes
- Sectioning of Trach Tube
- Surgery Why it is Important to Humidify

- Cleaning of Inner Cannula
- Different Locking Mechanisms
- Caring for your Skin
- Changing Trach Secures
- Changing the Trach Tube

- Emergency Situations, general
- Emergency Situations, plugged
- Emergency Situations, stop breathing

Recovery

- Recovery Room (PACU)
- Head & Neck Floor
- Healthcare Team
- Single Room

- JP Drains
- Foley Catheter Care in the Hospital
- Pain Management

- Defect Care for Maxillectomy
- General Incision Care
- Skin Graft Donor Site Care

Post-op General

- Tube Feedings
- Nasogastric (NG) Tubes
- Gastrostomy (G) Tubes

- Tracheoesophageal (TE) Catheter
- Feeding Methods
- Checking Tube Replacement

- Giving Medications Through the Feeding Tube
- Care of Feeding Equipment
