Sexual Dysfunction

Anatomy

- Anatomy

Diagnosis

- Erectile Dysfunction
- Loss of Sexual Desire
- Premature Ejaculation
- Peyronies Disease

Diagnostic Tests

- Nocturnal Penile Tumescence
- Blood and Urine Tests
- Blood Flow Analysis

Treatment

- Treatment for Premature Ejaculation
- Self-injection
- Oral Medications
- Coping with Sexual Dysfunction
- Testosterone Replacement Therapy
- Treatment for Peyronies Disease
- Treatments for Erectile Dysfunction
- Vacuum Pump
- Penile Implants
- Psychotherapy
- MUSE
- Revascularization Surgery
- Venous Ligation Surgery

Prostate Cancer

Anatomy

- Anatomy

Diagnosis

- Erectile Dysfunction

Diagnostic Tests

- Digital Rectal Exam
- Needle Biopsy
- PSA Test
- Bone Scans
- Transrectal Ultrasound

Treatment

- Watchful Waiting
- Brachytherapy
- Radical Prostatectomy
- Medication
- External Beam Therapy
- Orchiectomy

Recovery & Lifestyle Modification

- Recovery from Radical Prostatectomy
- Support Groups
- Recovery from External Beam Therapy
- Recovery from Brachytherapy
- Treatments for Incontinence
- Complementary Therapy
- Treatments for Erectile Dysfunction

Testicular Cancer

Testicular Cancer Introduction

Anatomy

- Anatomy

Diagnosis

- Testicular Cancer

Diagnostic Tests

- Self-Exam
- Orchiectomy
- Ultrasound
- Blood Tests
- Imaging Exams

Treatment

- Retroperitoneal Lymph Node Dissection
- Radiation
- Surveillance
- Chemotherapy

Recovery & Lifestyle Modifications

- Coping with Testicular Cancer
- Complementary Therapy
- Support Groups
